SOME NEWS ABOUT PROJECT DEVELOPMENT

For the first year of the project, in order to foster **Integration and empowerment through Art & Culture**, CULTUR'ACT project partners have been working very hard developing:

CULTUR'ACT methodology handbook: a guide providing trainers and educators with practical tools to design and implement efficient inclusive training sessions based on art & culture processes;

CULTUR'ACT training kit: a set of practical activities based on common training methods with innovative practical tools to support learners in their artistic & cultural activities (video, photography, theatre, broadcasting...).

Both first deliverables are almost finalized and about to be translated in Albanian, French, Greek and Italian.

In parallel, partners started preparing

CULTUR'ACT shows: one performance to be organized in each country which will give trainers and learners the opportunity to put into practice the developed above mentioned CULTUR'ACT methodology and training kit. Shows will be performed from Spring 2022 until the end of the year, gathering participants from Belgium, Cyprus, France, Greece, Italy and Kosovo.

CULTUR'ACT platform: the project e-learning platform to be used by teachers/trainers as well as learners and where the project deliverables will be easily and freely accessible.

SAVE THE DATE

CULTUR'ACT Capacity Building activity will take place in Pristina (Kosovo) from June 7th to 11th 2022. Trainers from all partner organizations will attend. The aim is to have an overview and train on developed methodology and tools to apply them during the implementation phase/while developing the shows.
